Mjöldryga – Pulvis Ad Mortem

Fluttering Dragon Records proudly presents Pulvis Ad Mortem, the debut album from Mjöldryga, a new collaboration between Fredrik Djurfeldt (Analfabetism, Severe Illusion, Boar Alarm) and Tomas Östergårds (Oestergaards, Hexmyr).

Rooted in the bleak soil of death industrial, power electronics, and dark ambient, Pulvis Ad Mortem is a harrowing exploration of ergotism—a hallucinogenic poisoning caused by infected rye and now mirrored in the collective psychosis of contemporary society. Convulsions, mania and fire under the skin. Mjöldryga channels these symptoms into suffocating soundscapes of decay and delirium.

This is not music for escape. This is madness. This is affliction. This is Pulvis Ad Mortem.
