Opis produktu

Magnetism is a force of attraction. Betweeen the mysterious past and the hopeless present. Between the ritualistic and the lack of purpouse. Between struggle and death. Magnetism is Fredrik Djurfeldt, previously known as Analfabetism, Boar Alarm, Severe Illusion, Hexophthalma and Mjöldryga, to name just a few. This, the very first album released under this name, explores the dark underbelly of the human condition like never before. The music is slow, dark and menacing. The lyrics have been reduced to moans and whining.
