Opis produktu

Lifeless Gaze presents ’Death’.
This new chapter shows a completely refreshed sound combining death industrial, dark ambient, intense atmosphere and black metal spirit.
A huge step forward when compared to previous LG works. Nothing is the same. And nothing ever will be the same.

’Death’ is unsettling, overwhelming, disquieting, disturbing and cold. Nothing is easy. It leaves scars. No answers. No reason.

Influenced by the ultimate end, overpowering grief, lack of hope and inner need to reject the pointless existence.

Sacrifice everything. Face the horror of the void. Greet the abyss. The end of all.
