Opis produktu

Perunwit newest album, entitled “Neuropa”, is devoted to the visionary world of Stanisław Szukalski and inspired by his mythology, symbolism and concepts of forgotten cultural origins. Moving between ritual folk, dark ambient and traditional instrumentation, PERUNWIT transforms these ideas into a dark and immersive sonic journey suspended somewhere between ancient memory, dream and ritual.

Neuropa is released as a carefully crafted deluxe vinyl edition designed to reflect the atmosphere and artistic vision behind “Neuropa”.

Pressed on heavyweight 180g vinyl, the release is available in both classic black and limited amaranth editions.The edition comes in a luxurious gatefold sleeve accompanied by a 12-page booklet featuring selected sculptures and artworks with the visionary world of Stanisław Szukalski.
